Newcomers welcome!

From the Pastor's Desk

Many thanks to all who gave of yourselves to make our Christmas worship such a wonderful experience. The singers, musicians, decorators, ministers, tree putter-uppers, donators of toys, clothes, food and gift cards, cooks, servers, and all of you who worshipped and welcomed those who came through our parish doors – a great witness to the Spirit of the Season!

Thanks also to Jack Kreisler and Red Letter Press for generously donating this year's "Stocking Stumpers." I know you're enjoying them as much as I am!

Many New Year's resolutions are centered around our physical health... losing weight, exercising more etc., but how about a resolution to nurture our spiritual health in the New Year? With the Jubilee Year behind us, our retreats are back in full swing and I encourage all of you to make room this year for some quality quiet time with our Lord.

One of our "parish resolutions" for the New Year is doing a better job of connecting with young adults in the 25-45 age group. Many in this demographic are single and young parents, and we're looking for ways to better meet their needs. We have a task force meeting to look into these concerns and opportunities. If you'd like more information about it, don't hesitate to talk to me; this is a group we can do a lot better job in reaching out to.

Consider inviting someone to our "Welcome Back to Church" evening on Tuesday, January 10. It can be intimidating for someone who's been away from Church for a long time to consider returning; a personal invitation can help them feel more comfortable coming back to take another look. Catholics are always welcome to come home.

The members of our New Orleans Ministry continue their journey back to Louisiana this month as they continue to rehabilitate homes in St. Bernard's parish. Please keep this dedicated team in your prayers.

*Have a Blessed New Year!
Fr. Bob*

**Attend to Your Prayer Life
in the New Year!**
**Join us for Centering Prayer
next Saturday, January 7**

Begin the New Year attending to your prayer life with this ancient contemplative practice. Find peace and wisdom in a busy world. We meet for Centering Prayer (usually) on the first Saturday of the month at 9:30am in our parish rectory and on the third Saturday of the month at 10am at St. Paul's parish center (193 Wyckoff Ave., Ramsey). All are welcome!

Some children in our parish are learning to attend and participate in Mass who need additional behavior supports. You may sometimes notice new sounds or behaviors that you are not used to seeing in Mass. As a parish we are excited about the faith and diligence of their parents that their children be able to participate in Mass to the extent that each is able. Our support of these efforts demonstrates our faithfulness as disciples of Christ living that we are all part of the Body of Christ.

"FRANKly" Speaking

New New Year's Resolutions – If you're like me, you probably dust off the same old resolutions year after year. If you, too, want resolutions that will last and make a difference, you may want to try a few environmental ones from the following list:

1. Stop buying bottled water
2. Use reusable cotton, canvas, nylon, or durable plastic mesh bags at the grocery store
3. Turn off the lights when leaving a room.
4. Use both sides of the paper when printing and copying
5. Take shorter showers
6. Run only a fully-loaded dishwasher
7. Wash your clothes in cold water
8. Use toilet paper made from recycled fibers
9. Use reusable microfiber towels instead of paper towels
10. Remove unnecessary items from your car to reduce weight and therefore save gas
