

**HAS AWARDED PRESENTATION'S FAMILY  
FAITH FORMATION PROGRAM THE NCCL 2017  
NEW WINESKIN AWARD! CONGRATULATIONS!!**

The New Wineskins Award highlights and celebrates extraordinary achievement occurring in parishes, in our case, in the area of catechesis. Why did our Religious Education Program (for families with children in grades 1-6) win this award? Our Family Faith Formation Program is a creative alternative for the many challenges that parishes and families face as we try to provide Religious Education opportunities in the midst of busy schedules. The selection committee were impressed by how in-depth this program was in creating a fun digital elements while also connecting the curriculum to Mass, service and mission. We have given back the primary responsibility of forming faith to parents and families while maintaining a strong level of support, resourcing and networking. Our use of games, activities and the arts are a creative way to engage kids to be active learners and evangelizers. We will receive the award at the Annual NCCL Conference in Dallas TX on May 24.
