

From the Pastoral Council ("PC")

To provide transparency to the parish community, the "PC" will provide an update from its monthly meetings. Primary focus of the "PC" since October of last year has been on identifying and implementing recommendations from the Parish Synod Report.

PC engagement with the community was one of the recommendations and the response started with an introduction of "PC" members in January 2023 bulletins and the "PC" members meeting the community in the Narthex after masses on the weekend January 29th.

The "PC" met on Monday 2/27/2023 and the following is a recap of steps to further this engagement: Finalized "PC" By-laws; meeting minutes will be published to Parish website; a "PC" Suggestion box will be placed in the Narthex; beginning March 26th "PC" members will be available in the Narthex on Sunday Masses before its monthly meetings; and we are developing a strategy for other opportunities for engagement with the community.

More to follow.
