Parish Mission: Sunday & Monday, October 25-26 at 7:30pm

Ambassadors for Peace:

Led by Brother Émile from Taizé, France, we will meditate on being a sign of peace, unity, and hope for the world. Come experience the power of praying in community and learn from Brother Roger - friend of Popes and Saints, and most of all, friend of young people and the poor.

Sunday Oct. 25 at 7:30pm: Taizé Prayer Service: Through song and Scripture, together with Brother Émile and the Presentation Music Ministry, we will seek the heart of God within us, listen to our community's youth, and cultivate inner peace so we can carry the peace of Christ to all we meet.

Monday Oct. 26 at 7:30pm: Brother Émile will present "Learning from Brother Roger, the Founder of the Taizé Community – Key Words in His Life."

The Taizé Community, a monastic community in the Burgundy region of France, was founded in 1940 by a young Swiss man named Brother Roger to shelter refugees during World War II and promote reconciliation and unity among different Christian denominations. Today, the Taizé community comprises approximately 80 brothers from diverse Christian traditions and geographical backgrounds. Each year, tens of thousands of teens and young adults travel to Taizé to share in prayer, silence, and fellowship. They then bring the ethos of unity and peacemaking back to their own communities.

Blessing of the Animals Today, October 4 at 2:00pm

We will gather at the front entrance of the church. This will be in a group setting, so please bring only friendly pets that deal well with crowds and unfamiliar animals. Stuffed animals are also welcome!

Season of Creation - Immersion in Living Water God's Beautiful Vineyard

by Amy Rini, Parish *Laudato Si* Intern

Today, October 4, we celebrate the Feast of St. Francis of Assisi and the conclusion of the global Season of Creation. This weekend is uniquely historic since it marks the 800th anniversary of St. Francis passing into eternal life. In today's readings, the scriptures use the vivid imagery of God's beautiful vineyard. While few of us work in actual vineyards today, we can easily compare this biblical image to our shared church, schools, towns, and natural resources that we are collectively responsible for. Just as a vineyard requires dedicated care to flourish, so do our communal spaces and resources. Most of all, both ancient vineyards and our modern daily lives rely on the same gift of accessible, clean, water. Reflecting on this year's Season of Creation theme, "Living Water," we are reminded that we are tenants of God's earth, tasked with protecting it from pollution and misuse for generations to come. Let us honor St. Francis of Assisi by praying for a world where we all access clean water, and join the St. Francis Ministry in these efforts.

Discernment for a Parish Pastoral Council

Each Advent our liturgical life is renewed as the scriptures invite us to ponder anew the story of our salvation in Christ. This Advent, our Parish Pastoral Council will be renewed as new members join, having been invited to ponder the possibility of becoming council members. This is a discernment process. It begins with personal reflection, and it bears fruit at a facilitated Sunday afternoon discernment workshop on November 1.

At the workshop parishioners who are discerning membership will gather with present council members, the pastor, and a facilitator. The pastor will present his vision for the parish. The facilitator then begins the process, inviting participants to consider the pastor's vision, reflecting on where the parish is and where it needs to go in service of its mission. While all the discerning parishioners bring gifts, in the process they discover together which of them has the gifts to serve the parish best at this time.

Importantly, this is about discernment, with all who are in the discernment process recognizing the array of gifts in the room. There is no campaigning. There is no vote. There is no appointment by the pastor. The decision about who will serve as new council members will be made by those who are discerning.

This model is distinctly different from what some

may know from experience in business and industry or in a variety of secular organizations. We are Church, and as Church we take our lead from the movement of the Spirit, leading us where we need to be, at times to our surprise.

This discernment process for renewal of the Parish Pastoral Council is a response to input from parishioners offered during the Synod of many months ago. Please keep this process in your prayers, as the Parish Pastoral Council is the pastor's primary advisory group, meeting regularly to reflect on how the parish is carrying out its mission.

At this time, parishioners are asked to think about members of our faith community who have gifts to bring for service as council members. You may be thinking about yourself. If so, then know that the discernment workshop is about your continued discernment, open to the movement of the Spirit and the wisdom of the group.

If you would like to nominate someone &/or have any specific questions about serving on the council, please feel free to contact me. I will also be speaking at the masses at an upcoming weekend & will be available for questions.

CATHOLIC SOCIAL TEACHING

The Church's social teaching shows us how to build a just society and live lives of holiness in the 21st century.

Each person is SACRED,
made in God's image, equal in dignity.

Each person is SOCIAL,
called to participate in family & community.

All people have RIGHTS and RESPONSIBILITIES.
The right to life and its necessities, the responsibility to respect the rights of others and work for the common good.

We care for people who are POOR and vulnerable,
before all else.

Workers have rights. WORK has dignity.
We are partners with God in creation.

SOLIDARITY is our call.
We are our brothers' & sisters' keepers.

We care for CREATION.
We live in interdependence with all God has made.

Weekly Justice Challenge

In October, we celebrate World Food Day, a world-wide event designed to increase awareness, understanding and informed, year-round action to alleviate hunger. We often reserve fasting for Lent. But your challenge this week is to choose a fast you can do to be in solidarity with those who go to bed hungry every night. It might mean giving up food for a whole day, or giving up one meal, or abstaining from your favorite beverage or snack for a day—or for the whole week. Take the money you would have spent on the meal(s) or snacks or drinks you sacrificed and donate it to an organization which feeds people directly or advocates for policies in our government which protect the hungry and vulnerable here at home or across the globe.
