**Season of Creation - Immersion in Living Water
Tending the Vineyard Together**

by Amy Rini, Parish *Laudato Si* Intern

The Season of Creation (Sept. 1 through Oct. 4) is celebrated by Catholics, Protestants, and Orthodox Christians across the world. All of us are called to be like the son who obeys God and stewards the earth. These numerous traditions have nuances on how to worship and live out their faith, but stewarding our planet and living waters is one shared way to live out God's will. This dedicated Season invites us to take tangible actions for the earth. I sometimes find it challenging to be motivated to take these actions, and find it tempting to act like the second son, who said he will tend the vineyard but then did not. It frankly is easier to make real progress needed to live out God's will when we work together in our church community. The St. Francis Ministry is gathering in many ways to celebrate our beautiful planet. You are joyfully invited to mark your calendars to join their events below, like the first son in this Gospel tending to God's vineyard.

Weekly Justice Challenge

Today's gospel focuses on the difference between words and actions. Jesus teaches us that promising to do something is meaningless when it is not backed by action. Your challenge this week is to reflect on a time when you resolved to do more to help the poor and vulnerable, but then got busy with everyday life and never got around to serving. Or think of a time when you were specifically asked to do something to help others, but said no. Then choose one action you thought of doing or previously turned down and just do it! You may find it so uplifting that you make a commitment to do it on a weekly or even monthly basis. The important thing is to act.

CATHOLIC SOCIAL TEACHING

The Church's social teaching shows us how to build a just society and live lives of holiness in the 21st century.

Each person is SACRED,
made in God's image, equal in dignity.

Each person is SOCIAL,
called to participate in family & community.

All people have RIGHTS and RESPONSIBILITIES.
The right to life and its necessities, the responsibility to respect the rights of others and work for the common good.

We care for people who are POOR and vulnerable,
before all else.

Workers have rights. WORK has dignity.
We are partners with God in creation.

SOLIDARITY is our call.
We are our brothers' & sisters' keepers.

We care for CREATION.
We live in interdependence with all God has made.
