Parish Mission: Sunday & Monday, October 25-26 at 7:30pm

Ambassadors for Peace:

The youth of our parish and our Music Ministry will be co-leading our Parish Mission with Brother Émile from the ecumenical community of Taizé, France. Please invite your friends and family, especially teens and young adults, to sing and pray with us.

We will reflect on being a sign of peace, unity, and hope for the world. Come experience the power of praying in community and learn from Brother Roger - founder of the Taizé community, friend of Popes and Saints, and most of all, friend of young people and the poor.

Sunday Oct. 25 at 7:30pm: Taizé Prayer Service: Through song and Scripture, together with Brother Émile and our Music Ministry, we will seek the heart of God within us, listen to our community's youth, and cultivate inner peace so we can carry the peace of Christ to all we meet.

Monday Oct. 26 at 7:30pm: "Learning from Brother Roger - Key Words in His Life."

The Taizé Community, a monastic community in the Burgundy region of France, was founded in 1940 by a young Swiss man named Brother Roger to shelter refugees during World War II and promote reconciliation and unity among different Christian denominations. Today, the Taizé community comprises approximately 80 brothers from diverse Christian traditions and geographical backgrounds. Each year, tens of thousands of teens and young adults travel to Taizé to share in prayer, silence, and fellowship. They then bring the ethos of unity and peacemaking back to their own communities.

Discernment for a Parish Pastoral Council

Each Advent our liturgical life is renewed as the scriptures invite us to ponder anew the story of our salvation in Christ. This Advent, our Parish Pastoral Council will be renewed as new members join, having been invited to ponder the possibility of becoming council members. This is a discernment process. It begins with personal reflection, and it bears fruit at a **facilitated discernment workshop after the Sunday morning masses on Nov. 1.**

At the workshop parishioners who are discerning membership will gather with present council members, the pastor, and a facilitator. The pastor will present his vision for the parish. The facilitator then begins the process, inviting participants to consider the pastor's vision, reflecting on where the parish is and where it needs to go in service of its mission. While all the discerning parishioners bring gifts, in the process they discover together which of them has the gifts to serve the parish best at this time.

Importantly, this is about discernment, with all who are in the discernment process recognizing the array of gifts in the room. There is no campaigning. There is no vote. There is no appointment by the pastor. The decision about who will serve as new council members will be made by those who are discerning.

This model is distinctly different from what some may know from experience in business and industry or in a variety of secular organizations. We are Church, and as Church we take our lead from the movement of the Spirit, leading us where we need to be, at times to our surprise.

This discernment process for renewal of the Parish Pastoral Council is a response to input from parishioners offered during the Synod of many months ago. Please keep this process in your prayers, as the Parish Pastoral Council is the pastor's primary advisory group, meeting regularly to reflect on how the parish is carrying out its mission.

At this time, parishioners are asked to think about members of our faith community who have gifts to bring for service as council members. You may be thinking about yourself. If so, then know that the discernment workshop is about your continued discernment, open to the movement of the Spirit and the wisdom of the group.

If you would like to nominate someone, **we have a form on the parish website to nominate yourself or someone else.** Wally Kennedy, a current pastoral council member, will be sharing a brief message at the Masses this weekend and will be available to address any questions you may have.

DOES TECHNOLOGY MAKE US BETTER COMMUNICATORS?

Smartphones are everywhere. Obviously, they have their benefits, such as instant communication (globally), information access at your fingertips (literally), and tools, such as cameras, alarms, calendars, and the ability to share live locations and call for help quickly during a crisis.

But, how we communicate with each other has shifted with this technology. We have the ability to instantly message, see each other on phone calls, and texting allows us to reply on our own schedule instead of needing two people on a call at the same time.

All technology results in benefits and drawbacks, however. We now expect rapid or immediate responses to messages and we are expected to be available 24/7. What happens to our communication during a digital interface? We lose face-to-face signals like eye contact, facial expressions, vocal tone, and body language, which can result in a misinterpretation of intent. Losing these face-to-face signals hinders our ability to empathize, and we become more isolated. It's obvious that communicating with others are not just words and emojis sent across cyberspace, yet we rely on it more and more. As technology advances, and with AI becoming more prevalent, we need to remember that the benefits of communicating "in person" are part of the human experience we don't want to lose.

Peace,
Fr. Anthony

CATHOLIC SOCIAL TEACHING

The Church's social teaching shows us how to build a just society and live lives of holiness in the 21st century.

Each person is SACRED,
made in God's image, equal in dignity.

Each person is SOCIAL,
called to participate in family & community.

All people have RIGHTS and RESPONSIBILITIES.
The right to life and its necessities, the responsibility to respect the rights of others and work for the common good.

We care for people who are POOR and vulnerable,
before all else.

Workers have rights. WORK has dignity.
We are partners with God in creation.

SOLIDARITY is our call.
We are our brothers' & sisters' keepers.

We care for CREATION.
We live in interdependence with all God has made.

Weekly Justice Challenge

Today's Gospel has Jesus reminding us to give to God what is God's. As Catholics, we are called to practice stewardship—to use our time, our resources, and our gifts and talents to build God's kingdom here on earth. Your challenge this week is to examine your efforts to tithe financially. How much of your money goes toward those most in need? In addition to your support of the local parish and the universal Church, to which charities do you contribute? If you don't have a favorite charity, consider making a Catholic organization your charity of choice. Catholic Relief Services, Catholic Charities, St. Vincent de Paul, and the Catholic Campaign for Human Development are a few of the many great Catholic organizations which exist to serve the most vulnerable in our world. Make them part of your practice of stewardship, and give to God what is God's.
